**Email to Members**

SCASA is seeking bids from qualified evaluation firms, colleges and universities, and grant consultants to provide any or all of the following services:

- (1) conduct formative, summative, and outcome evaluations;
- (2) provide implementation and technical assistance guidance; and/or
- (3) provide grant development services to find and develop state, foundation, and federal grant programs.

Selected consultants and firms will be placed on a SCASA-certified list that will be made available to SCASA members and non-members who wish to use these types of services for grant programs. This list of eligible providers serves to aid educational entities in the federal procurement process required under OMB circulars and EDGAR guidelines.

If you know a qualified consultant or firm, please forward this information to them. The deadline to receive the sealed bid is June 1, 2009 at 3:00 p.m. and winners will be notified by July 31, 2009. The Request for Consultants is attached and may also be found on our website, [www.scasa.org](http://www.scasa.org) under Awards. Any questions regarding the Request for Consultants should be directed by email only to Jay Welch at [jay@scasa.org](mailto:jay@scasa.org).

Thank you for your assistance with this!

The South Carolina Association of School Administrators (SCASA) is the professional organization for school leaders in South Carolina and has a membership of more than 2,900. Through professional development opportunities, research, publications, and legislative advocacy, SCASA supports school leaders in providing the best possible education for South Carolina's young people.

SCASA is seeking bids from qualified evaluation firms, colleges and universities, and grant consultants to provide any or all of the following services during the five-year period beginning July 1, 2009 and ending June 30, 2014:

- (1) conduct formative, summative, and outcome evaluations;
- (2) provide implementation and technical assistance guidance; and/or
- (3) provide grant development services to find and develop state, foundation, and federal grant programs.

Selected consultants and firms will be placed on a SCASA-certified list that will be made available to SCASA members and non-members who wish to use these types of services for grant programs. This list of eligible providers serves to aid educational entities in the federal procurement process required

under OMB circulars and EDGAR guidelines. This Request for Consultants focuses on the writing, evaluation, and post-award technical assistance component of comprehensive programs being created by educational entities including but not limited to: all South Carolina schools, affiliated private non-profits, school districts, multi-district coalitions, and coalitions of the before-named and other education groups.

The deadline to receive the sealed bid is June 1, 2009 at 3:00 p.m. and winners will be notified by July 31, 2009.
